

**XXIVth World
Road Congress
Mexico 2011**
Mexico City 2011.

PROPOSAL FOR THE 2012-2015 TERM

Paul Pisano

- Federal Highway Administration
- Team Leader, Road Weather Management
- paul.pisano@dot.gov

STRATEGIC THEME 2: ACCESS & MOBILITY

Goal

Encourage the improvement of access and mobility provided to the community and industry by improved road network operation and integration with other transport modes.

Winter Service:

- Road networks vulnerable to adverse winter weather
- Challenges maintaining acceptable and sustainable levels of service, especially under a changing climate
- Austere times
- Vital need to inform road users
